Jessica Drenk: Materials in Balance

Conrad Wilde Gallery is pleased to present *Materials in Balance*, a solo exhibition with University of Arizona Alumni, Jessica Drenk. The show opens with an artist talk on Saturday, November 6th, at 5:00 pm sponsored by the Contemporary Art Society of the Tucson Museum of Art. Immediately following the artist presentation there will be a public reception from 6:00-9:00 pm. The exhibit runs through Saturday, November 27th. Gallery hours are: Tuesday through Saturday from 11:00 am until 5:00 pm.

The work of Jessica Drenk involves the manipulation of common materials such as wood or PVC tubing to create repetitive, post-minimalist patterns that achieve a balance between juxtapositions: the symmetrical and the asymmetrical, the natural world and the digital world, the microscopic and the macroscopic.

Conrad Wilde Gallery features contemporary painting, sculpture, and works on paper from emerging and established artists based locally and nationally. For information, please visit www.conradwildegallery.com or call 520.622.8997.
