Conrad Wilde Gallery is pleased to present: *Earth and Sky*, an exhibition of encaustic paintings by Catherine Nash and David Price. The show opens with a reception on Saturday, November 1<sup>st</sup> from 6 to 9 pm and closes on Saturday, November 29<sup>th</sup>. Conrad Wilde Gallery is located at 210 N. 4<sup>th</sup> Avenue, in the heart of Tucson's downtown arts district. The Tucson Weekly recently listed Conrad Wilde Gallery among Tucson's leading art galleries in the 'Best of Tucson 2008' guide.

*Earth and Sky* is a meditation on the interplay of light upon the natural world. The exhibition features the lush, atmospheric paintings of Tucson artist, Catherine Nash and visiting artist, David Price. These quiet and contemplative works masterfully showcase the unparalleled sheen, translucency, and depth of the encaustic medium.

Catherine Nash presents mysterious and dense paintings of light-infused foliage observed during her annual summer pilgrimage to her studio-cabin in the Ozark Mountains of Missouri. David Price's abstractions translate the ever-changing light meeting the horizon inspired by the expansive views of Puget Sound as seen from his hometown of Whidbey Island, Washington.

Conrad Wilde Gallery features contemporary painting, sculpture and works on paper from established and emerging artists based locally and nationally. Gallery hours are Tuesday through Saturday from 11 am to 5 pm or by appointment. For more information call 520-622-8997 or visit [www.conradwildegallery.com](http://www.conradwildegallery.com).
