The Object is Just the Catalyst #2. 18x24. 2011

Conrad Wilde Gallery together with Miles Conrad Encaustics is pleased to present our April 2011 Artist of the Month exhibit:

David A. Clark: Arrow Up

Clark's seductive encaustic monoprints explore impulse and forward motion through layering color, text, and his signature arrows. Clark describes printing with encaustic as a "yes" practice in how he reacts and adapts to the movement of the wax and characteristics of the paper.
