is pleased to welcome *Radiance: Light, Space & Perception*. The show opens Saturday, October 2nd with an artist talk at 5 p.m. followed by a reception from 6 to 9 p.m.

The exhibit features works by Lori del Mar, Heather Hutchison, and Carrie Seid. Lori del Mar investigates visual perception through subtle layers of color revealed through contemplation over time. Heather Hutchison captures the magical changing of light over a 24-hour period in time-lapsed video. Carrie Seid presents sculptural wall pieces that seem to glow as they filter and reflect light in saturated color.

Since 2005, Conrad Wilde Gallery has featured contemporary paintings, sculptures, and works on paper from emerging and established artists based locally and nationally. Open Tuesday-Saturday 11 a.m. to 5 p.m. Visit www.conradwildegallery.com or call us at 520.622.8997 for more information.
